Areas covered with include

- Workplace Vocabulary
- Business Grammar
- Business Writing
- Charts and Graphs
- Communication Skills
- Business Skills
- Using Authentic Materials
- Games and Activities

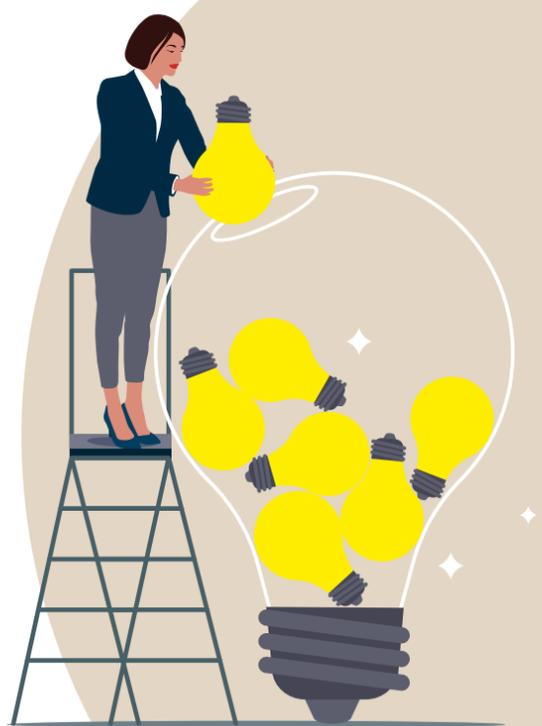

ACTIVITIES TO ENCOURAGE LEARNER-GENERATED CONTENT FOR THE ELT CLASSROOM

TIME: 11.00 - 12.30

ABSTRACT

In this interactive workshop participants will be invited to try out ideas on how to encourage learners to make use of their own ideas, practice speaking, use a text or image as a starting point, and explore ways to increase vocabulary by creating a learner-centered atmosphere in the ELT classroom. There will be time for discussion and feedback on the activities with the goal of providing participants with practical ideas they can immediately put to use in their teaching situations.
